

Euroacademia Multidisciplinaria Neurotraumatologica

SPIEGELBERG AWARD SHARED

The Spiegelberg award of 1000 Euros for best presentation by a young investigator was shared by:

P Riess from Cologne for his work on experimental stem cell transplantation in TBI.

M Stulemeijer from Nijmegen for her work on the effect of systemic injuries on the outcome from TBI.

Congratulations to them and their teams for such high quality research and presentation.

I hope to secure the funds for another prize in 2006.

ROTTERDAM SUCCESS

The 10th EMN Congress in Rotterdam was a great success thanks to the hard work of Congress President Andrew Maas and his Team.

I would like to thank him on behalf of the Presidium and all the EMN members.

David Mendelow.

Future Congresses

Warsaw	2006
Italy	2007
Heidelberg	2008

There are bids already in for 2009 and 2010: the final decision will be made at the Warsaw Presidium meeting.

11th EMN

Congress: Warsaw
16 -18 March 2006

Zbigniew Czernicki will be congress President for the 11th EMN Congress in Warsaw next year: the venue will be the Staszic Palace of the Polish academy of science in downtown Warsaw. Topics include pathomechanisms, late consequences, epilepsy and hydrocephalus.

The closing date for abstracts is December 2005 so start thinking about them now.

Registration will be available via a link directly from the EMN website (www.emn.cc)

SUBSCRIPTIONS:

To make sure that you are eligible for a discount at registration for the next and future EMN conferences, please send your bank draft for 100 Euros to:

EMN—Bank DKM
